

The
SensuRest
HYBRID COLLECTION

a better nights sleep®

Concerto

THE BEST OF BOTH WORLDS

- Certified Pure Latex Rubber
 - * Outstanding elasticity, instant recovery
 - * Self-ventilating and moisture regulating
 - * Anti-fungal and hygienic
 - * Pressure relieving support
- Gel-Swirl Viscoelastic foam
 - * a breathable polyurethane foam with superior cooling properties
 - * Increased recovery time versus standard memory foam
 - * Reinforced cell structure for unsurpassed durability

Hypo-allergenic and non-toxic, Stay Fresh™ technology maintains freshness for the product's life and will not absorb odors. Reduces the chemical odor associated with memory foam products, using pure baking soda to maintain freshness
